Tuition Fees and Policies:

This is a cumulative, seasonal program, organized into terms with on-going projects, so a seasonal commitment is expected. Although payments can be made monthly, unless there is written notice of withdrawing a student 30 days prior to the date of removal, full tuition for the season is required.

In the case of cancellation due to sickness on the part of the teacher and/or teacher's family, a make-up day will be scheduled. Pro-rating for students' sickness or absence is not available.

Tuition is due the first of each month and a 10% late fee will be applied to payments made after the 10th of each month.

If your family has financial hardship or another situation interfering with this agreement, please inform me. I am always happy to help in anyway possible and arrangements can be made based on need.

I agree to the above policy.
